

Camping

Into the forest, into the woods, with compass, by lantern
light, under the trees, on top of the hill,
we will camp all night.

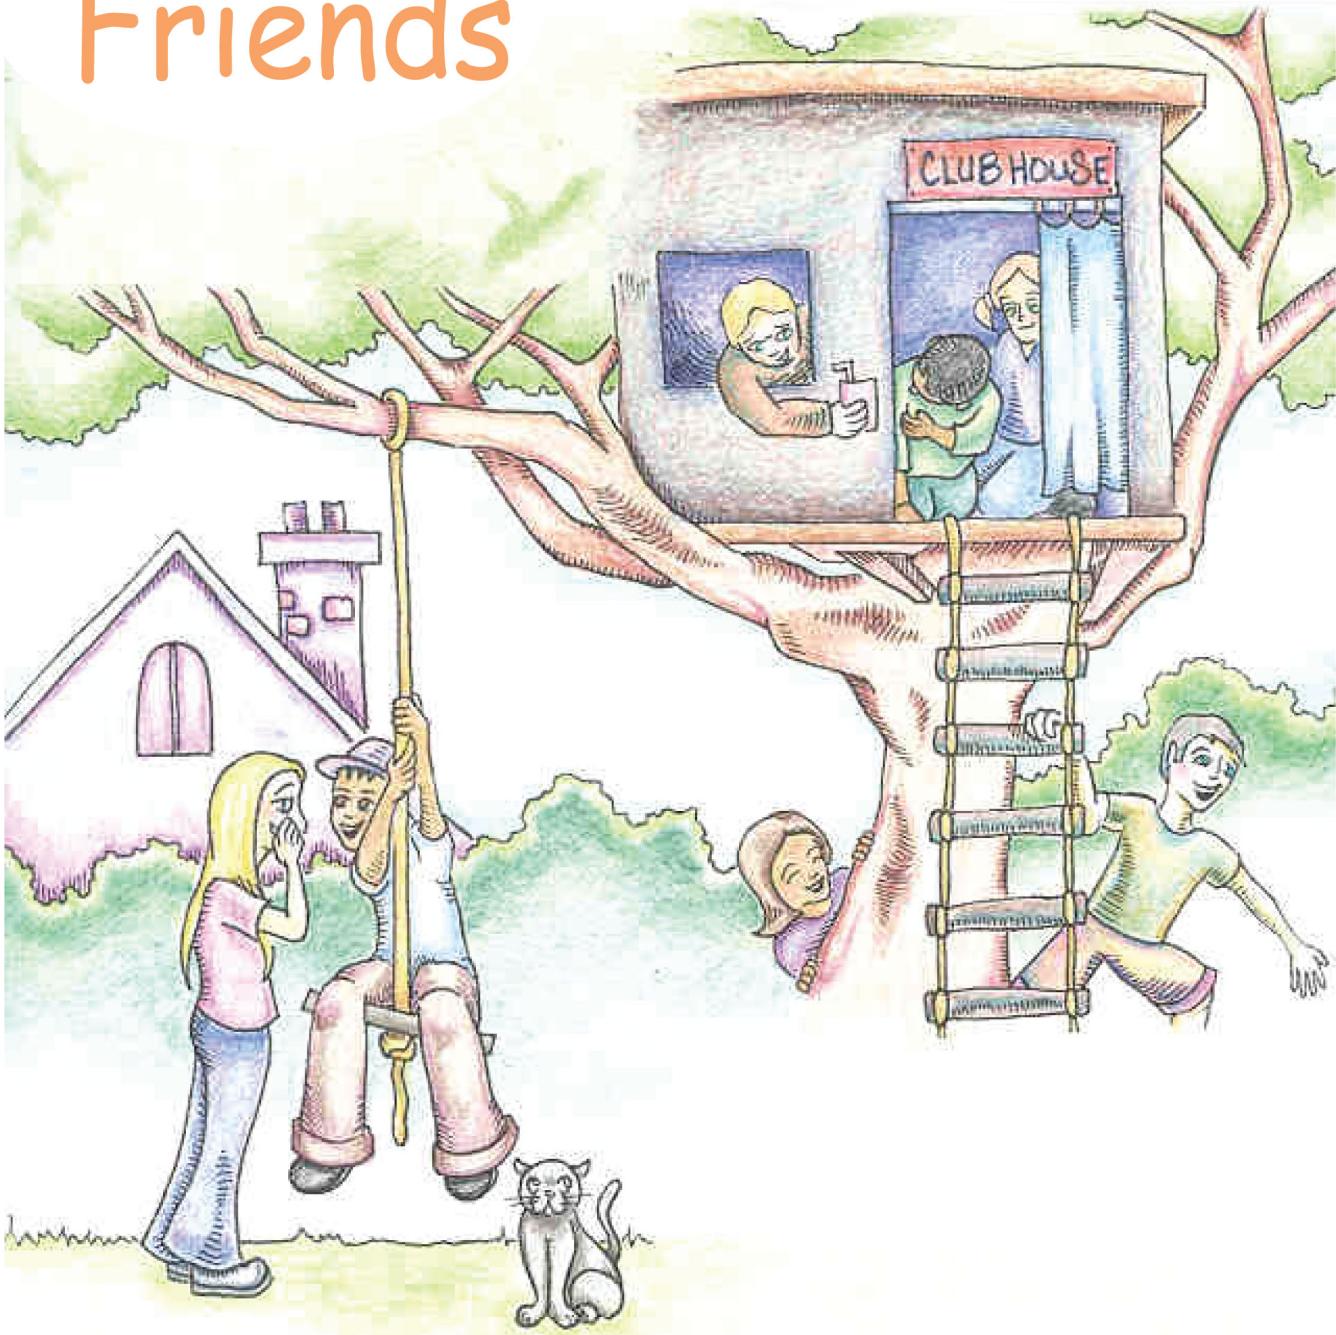

Campamento

Una aventura esta noche viviremos,
en mitad del bosque acamparemos.

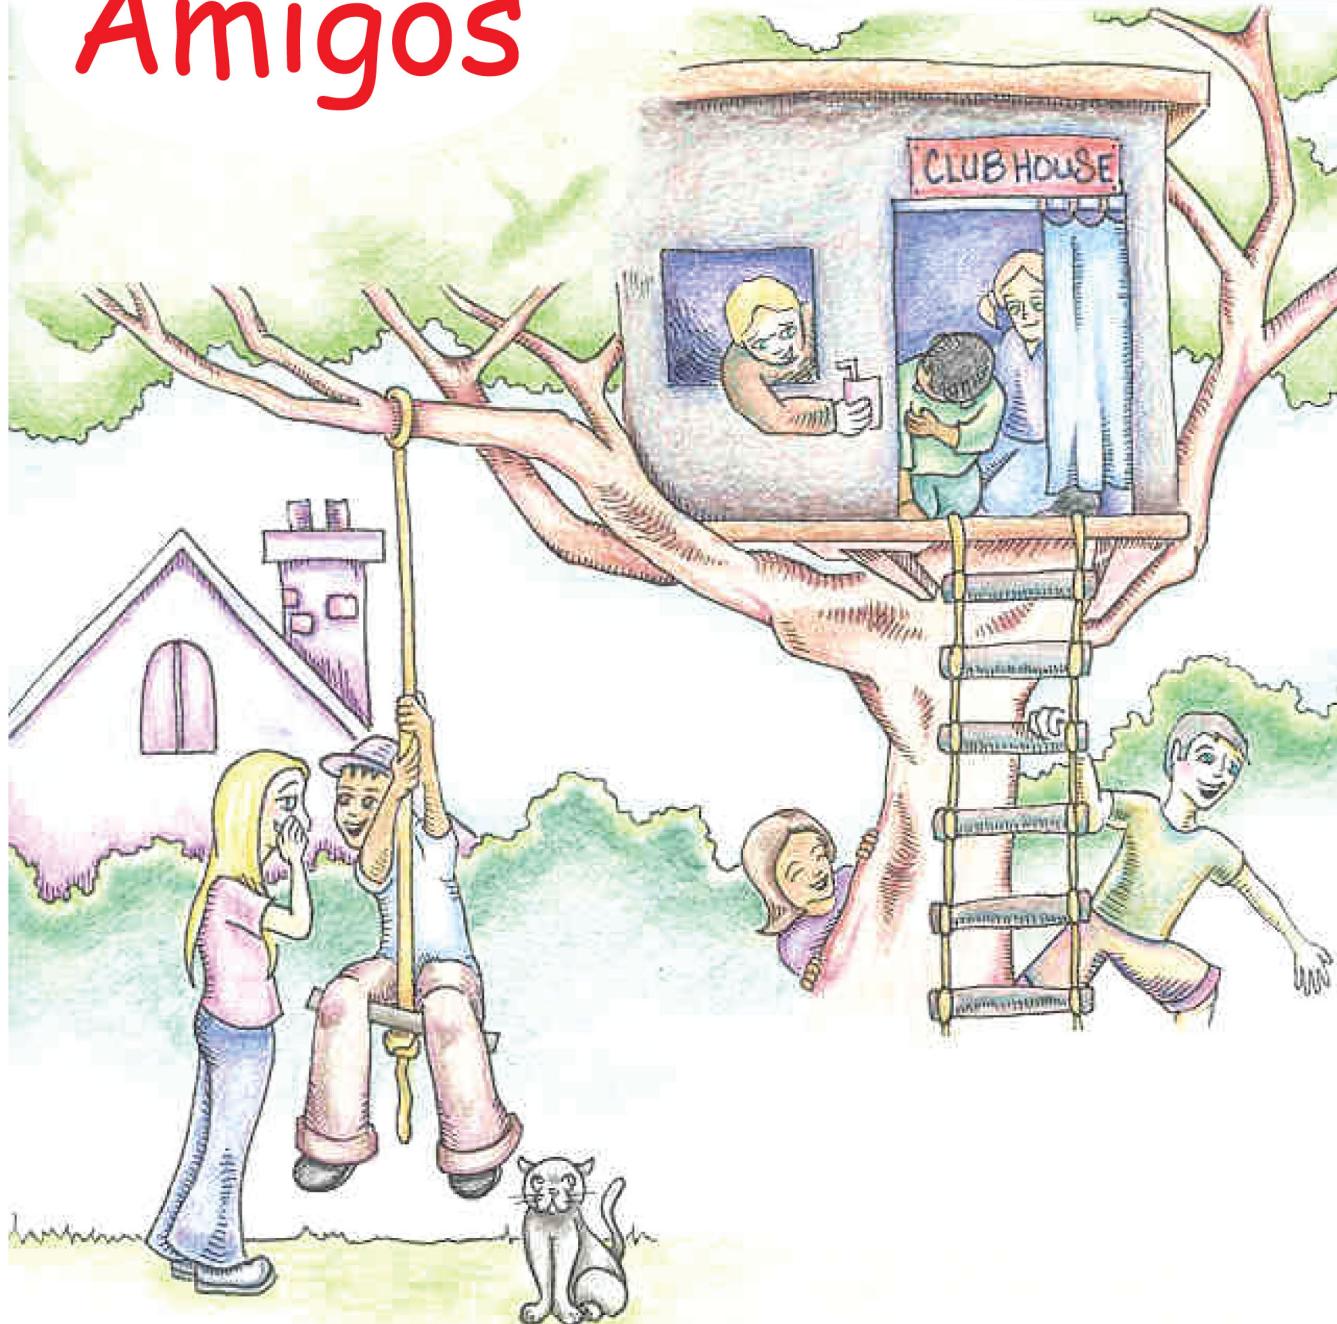

Una fogata entre todos haremos
e historias graciosas nos contaremos.

Friends

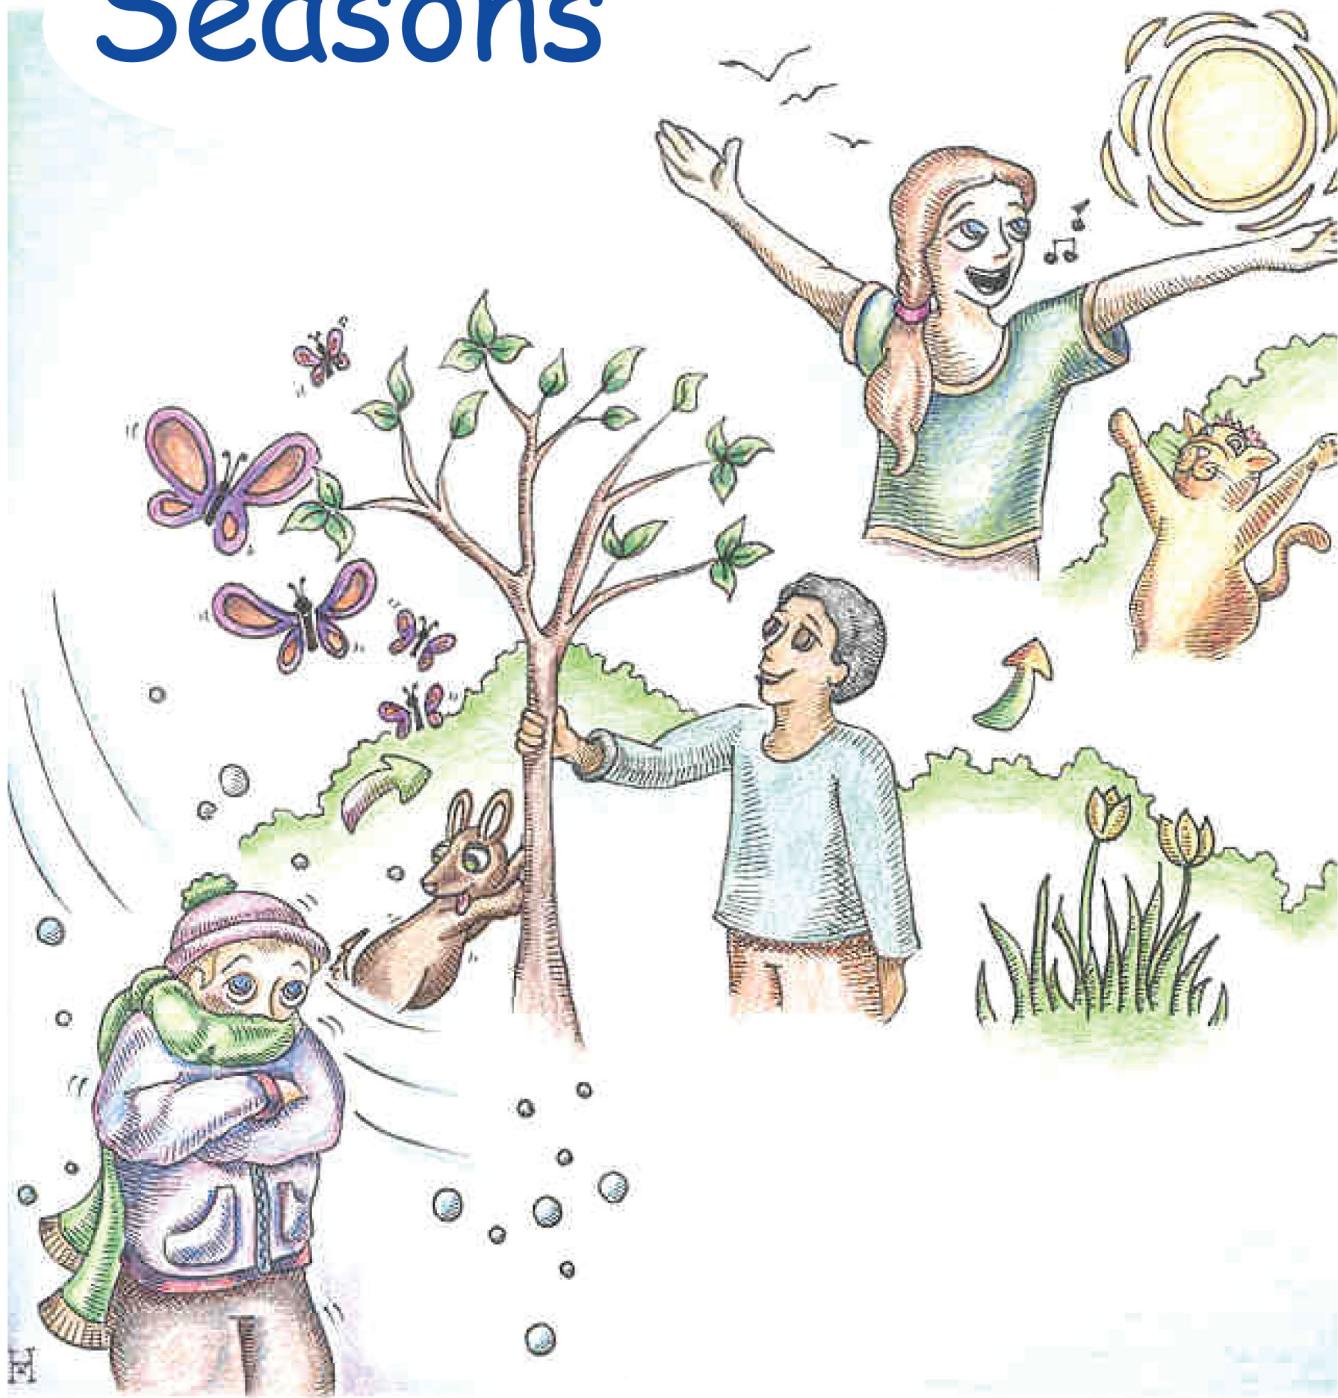

I love my friends. We play and run.
We share our secrets. We have fun.

Amigos

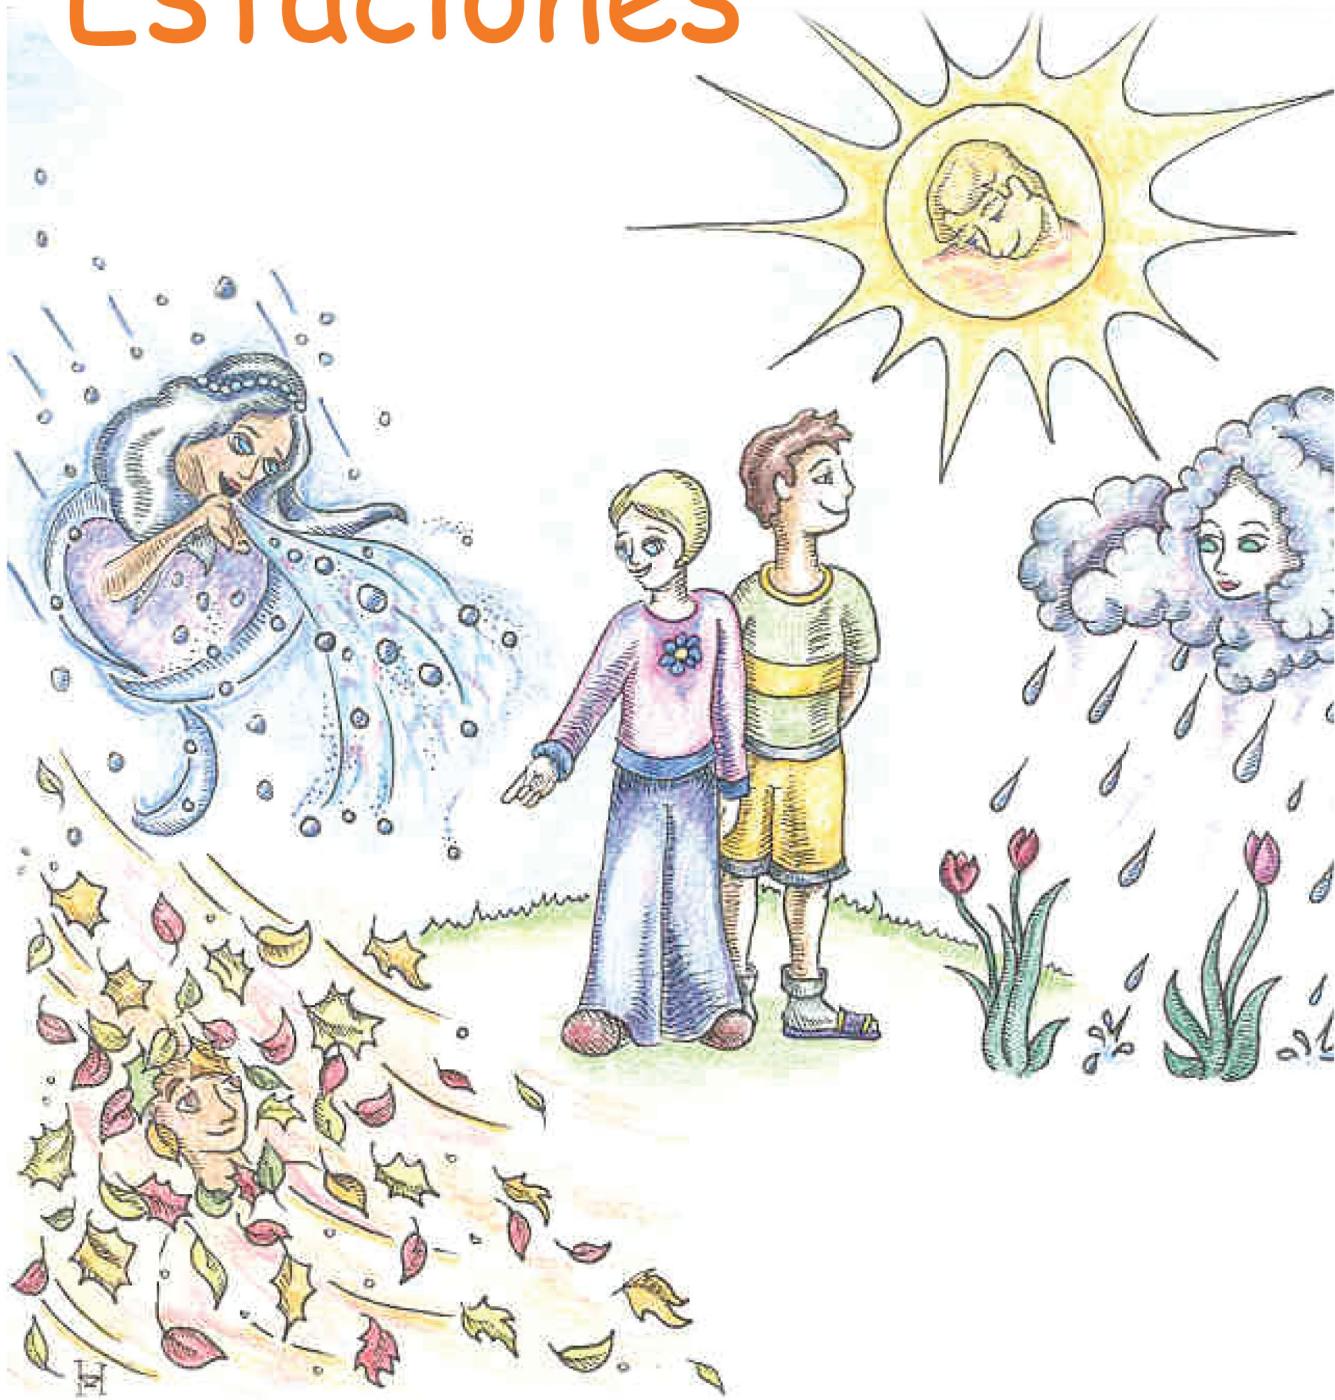

Quiero mucho a mis amigos, jugamos, corremos y cantamos,
compartimos mil secretos y entre todos nos cuidamos.

Seasons

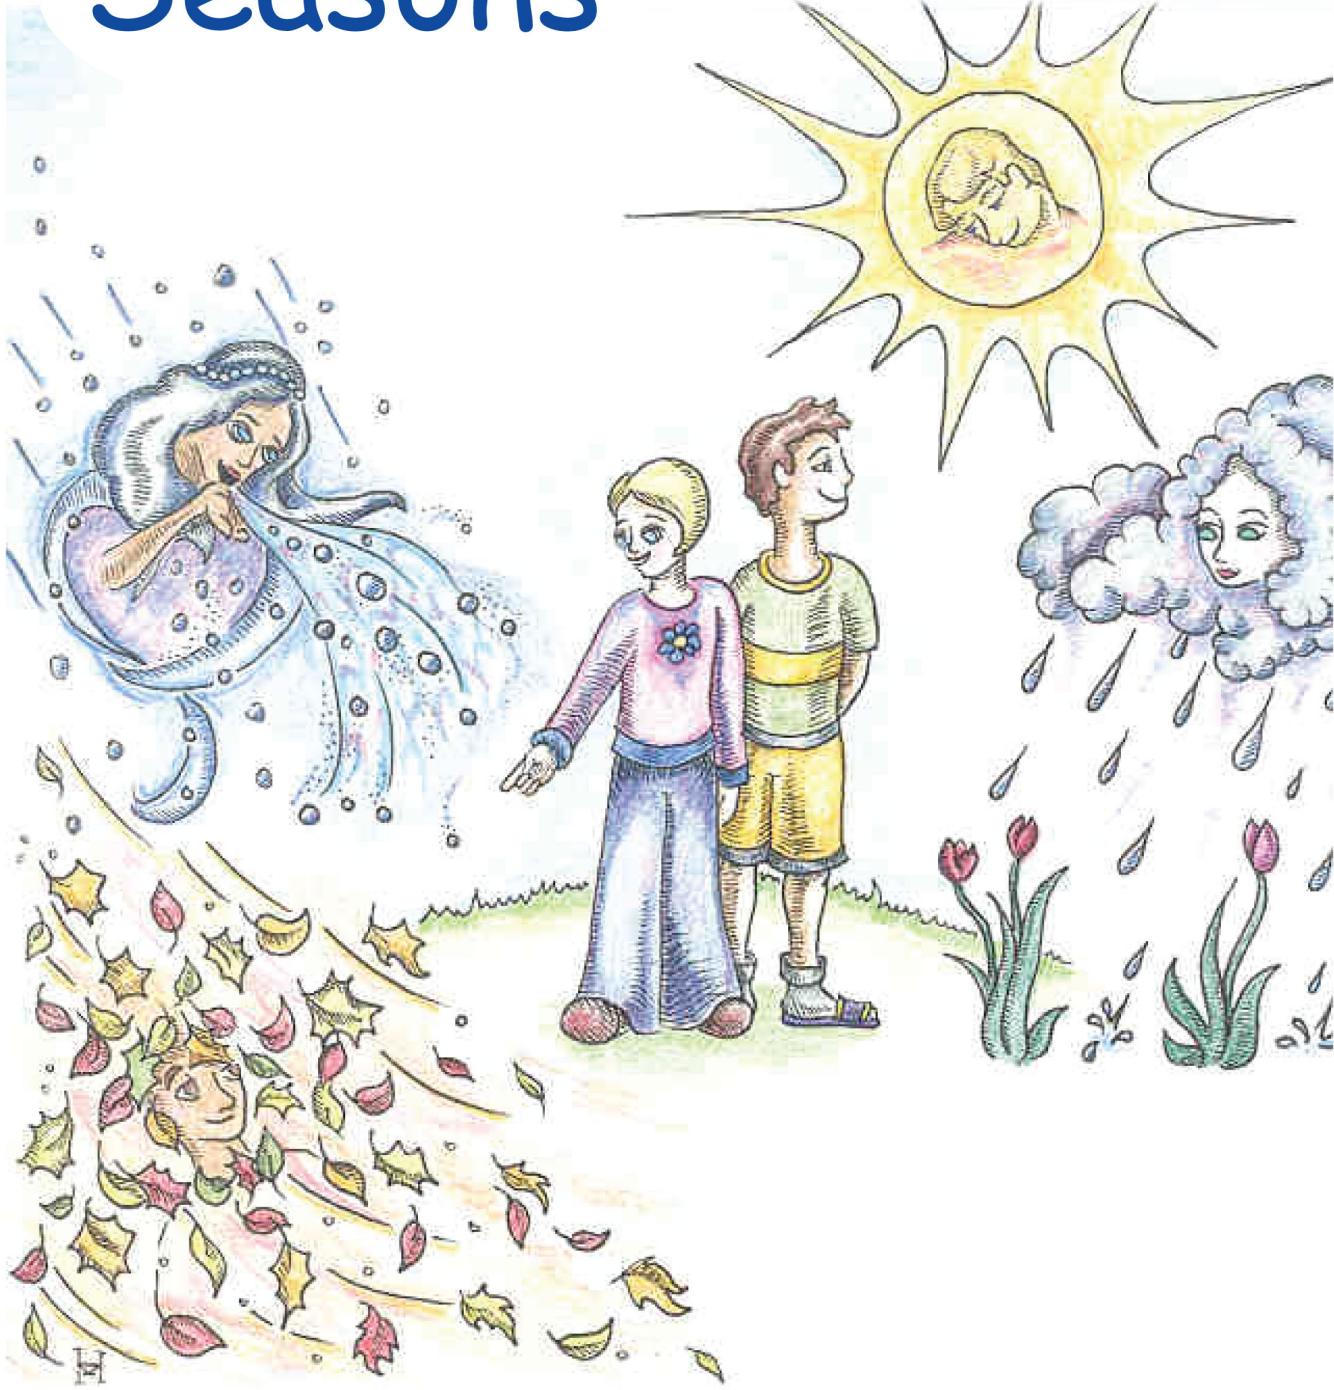

The air is cold in winter. Spring bring trees of green.
The sunny days of summer make you want to sing.

Estaciones

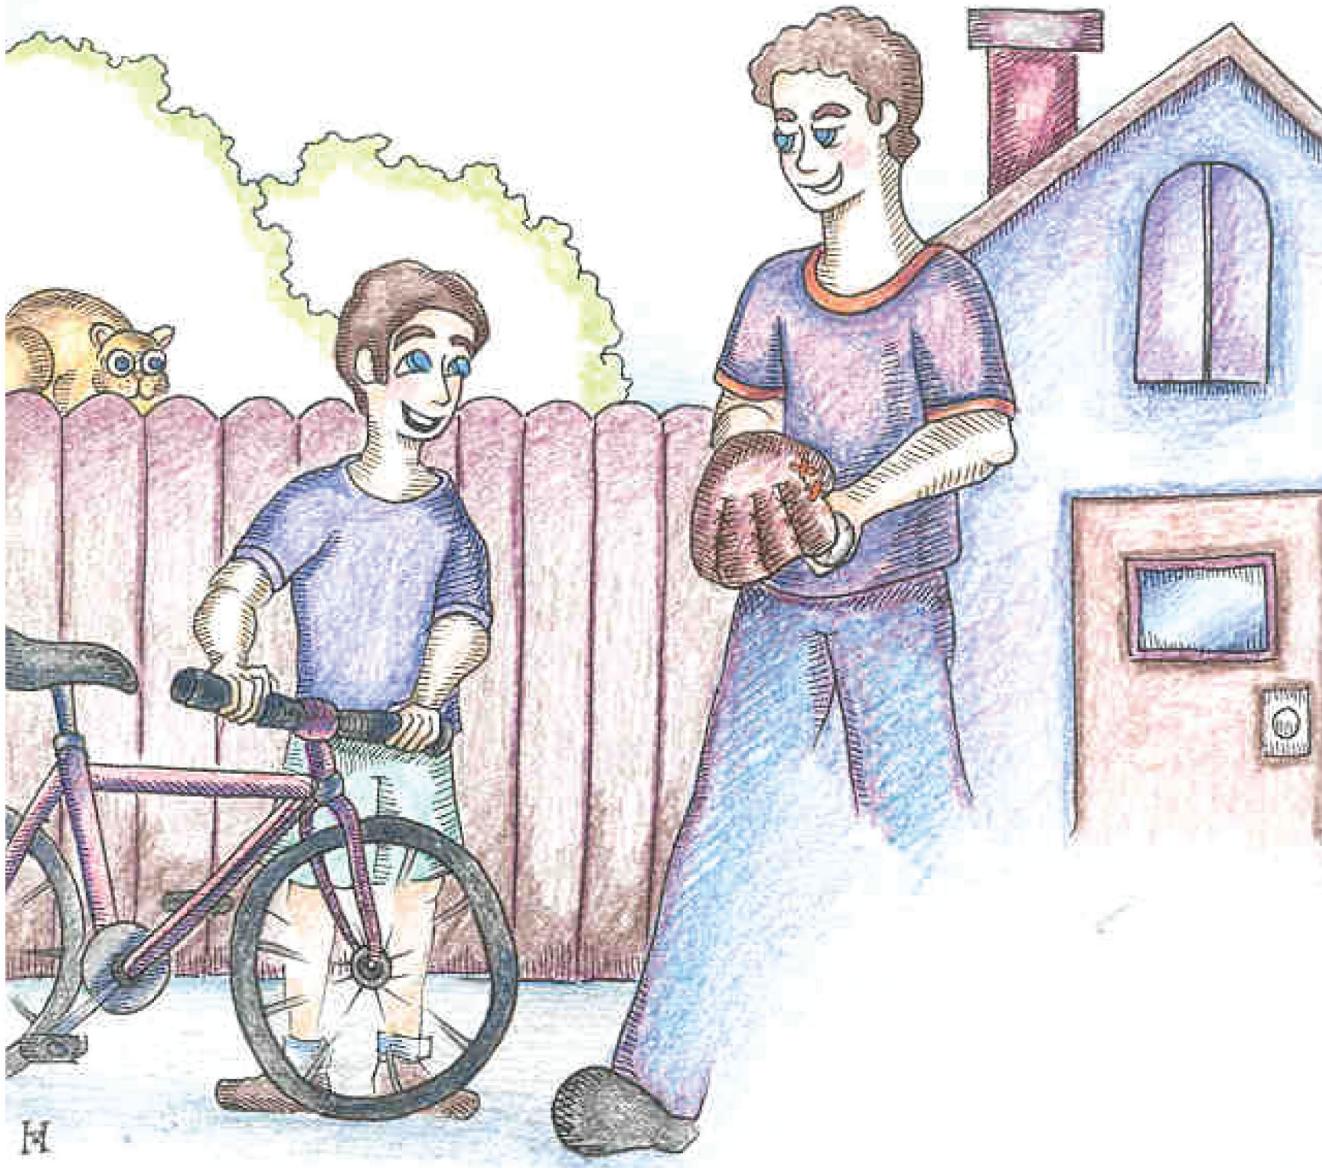

El invierno para jugar nieve nos trae.
En el otoño las hojas cambian de color.
La primavera nos regala suaves lluvias
y el verano grandes olas de calor.

Seasons

In the fall the leaves are turning. Winter fills with snow.
Spring brings rain so gentle.
Summer, the sun's warm glow.

Día del Padre

Mi padre me ha enseñado muchas cosas,
algunas de ellas me gusta siempre hacer.

Como correr y atrapar la pelota,
y también andar en bicicleta sin caer.

Father's Day

My dad has taught me many things. Most of tem I like,
like how to run and how to catch
and how to ride a bike.
