

# Seeds and Plants

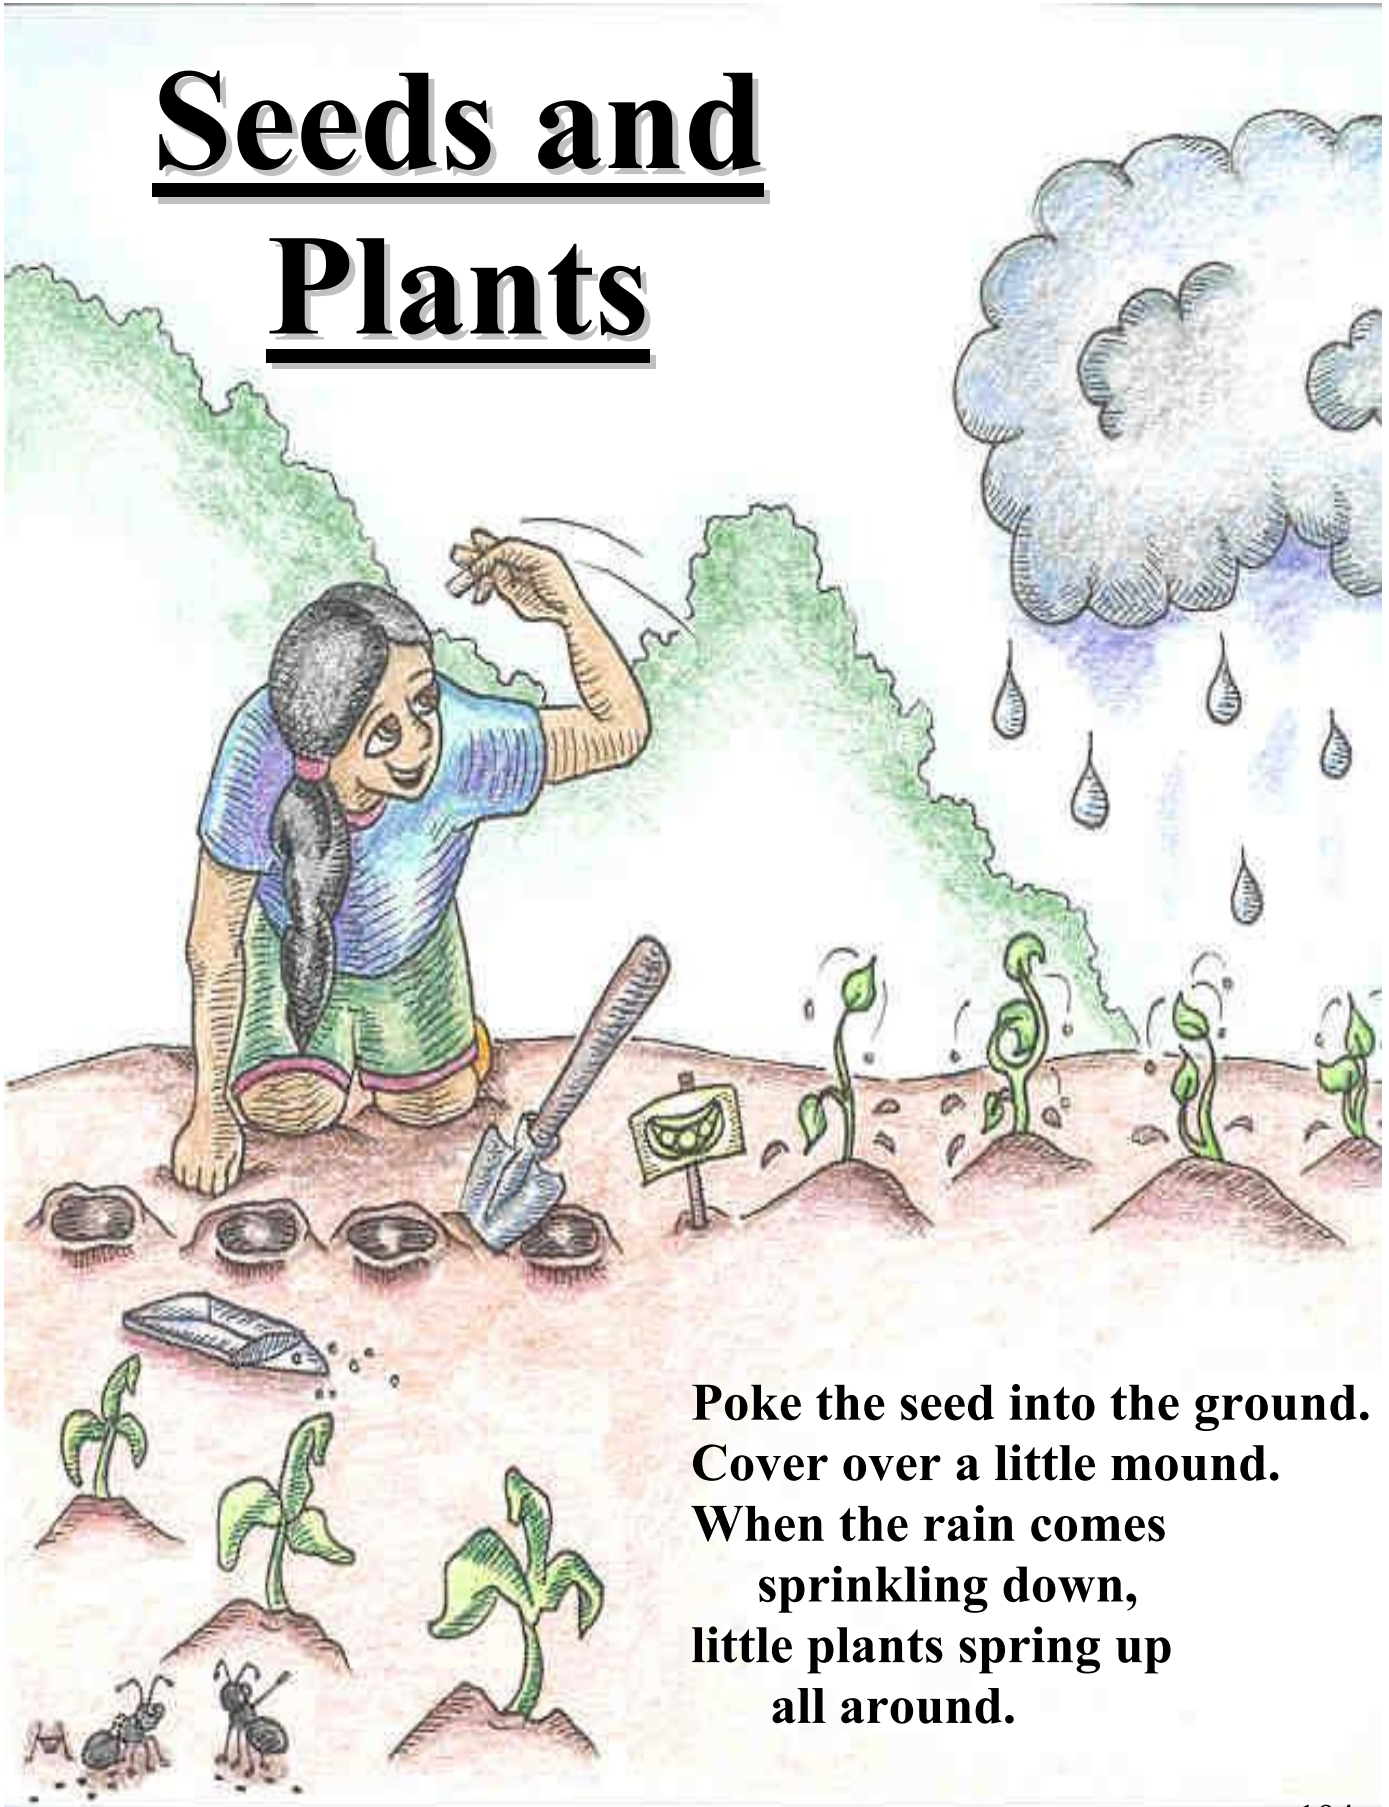

I tilled the ground  
for seeds to sow.  
I planted seeds;  
I watched them grow.  
I cut the weeds  
with a wooden hoe.  
Now flowers make  
a colorful show.

# Semillas y Plantas

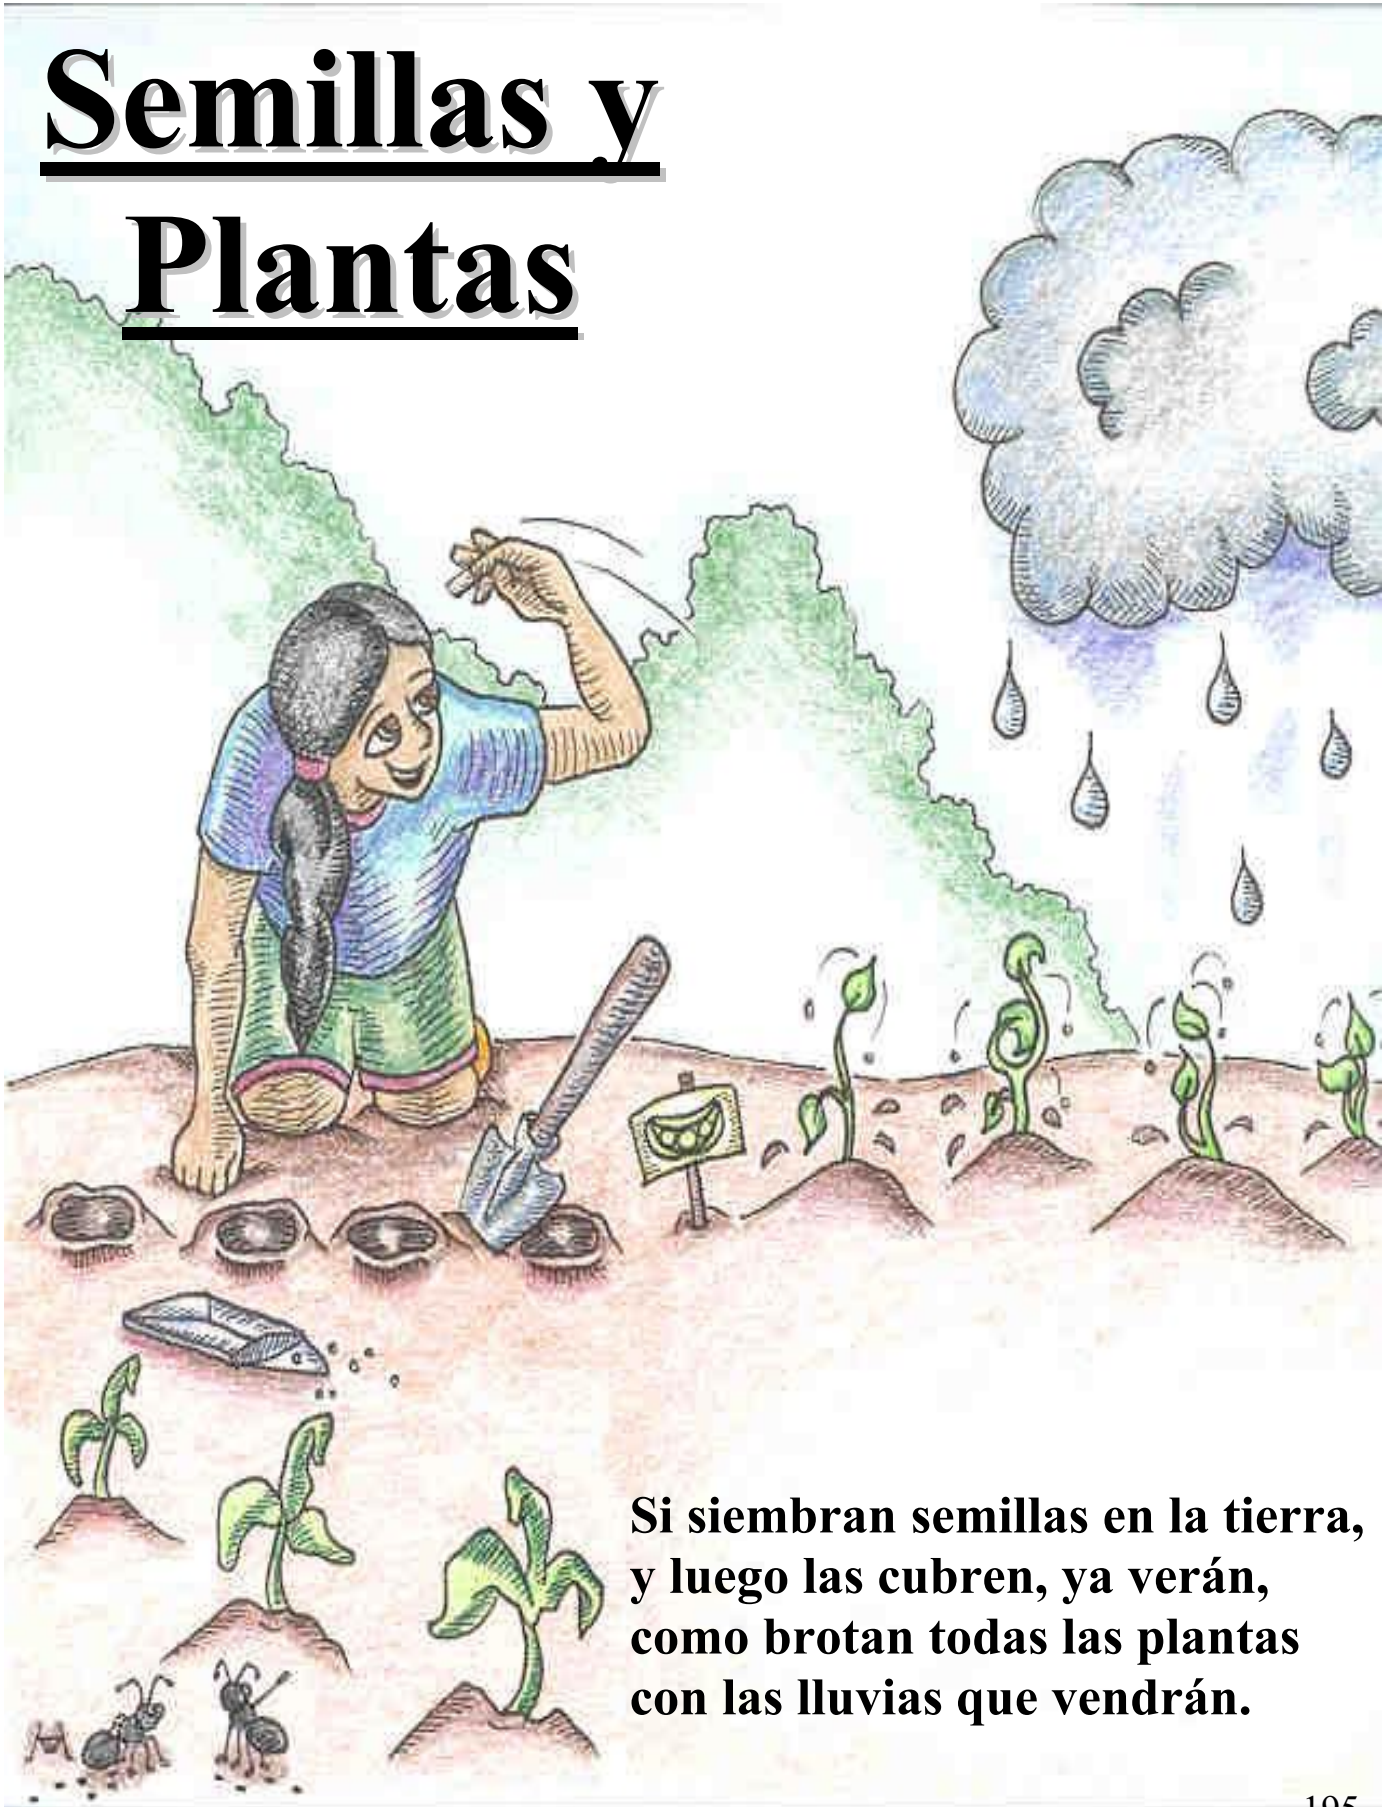

En la tierra hago agujeros,  
planto semillas y las veo crecer.  
Me dedico a sacar la maleza  
para mis flores poder ver.

# Seeds and Plants

**Poke the seed into the ground.  
Cover over a little mound.  
When the rain comes  
sprinkling down,  
little plants spring up  
all around.**

# Semillas y Plantas

**Si siembran semillas en la tierra,  
y luego las cubren, ya verán,  
como brotan todas las plantas  
con las lluvias que vendrán.**
